**CURRENT CONTENTS OF PERIODICALS ON THE MIDDLE EAST** is a quick-alert publication, reporting in brief form the appearance of articles on the Middle East in specialized and general journals. **CURRENT CONTENTS** appears six times a year. It is distributed to all recipients of the **MERIA** News and Journal.

Journal title, issue date, and issue number are immediately followed by page numbers between brackets. With e-mailers such as Eudora, issues of **CURRENT CONTENTS** can be saved to a folder by the recipient, and searched by author and/or title at will. *Please note that page numbers are usually omitted in journals and are identified by [\*].*

At the end of each individual journal listing, a **URL address** has been included, if available.

Compilers of **CURRENT CONTENTS** encourage direct submission of tables of contents by editors of journals. Please follow the simple format, include only Middle East-related articles, and submit directly to: [dayanlib@post.tau.ac.il](mailto:dayanlib@post.tau.ac.il).
