Arab World Books is all about Arab Thought, the ideas, the books and the women and men who created them.

Founded in Geneva in March 1998, Arab World Books is the first Arab cultural online club.

We are an independent non-profit entity staffed by volunteers. We welcome all contributions and encourage interaction. Our club is dedicated to enhance understanding between different cultures.

If this interests you, we welcome you as a member of this club.

If at any time you do not want to receive our postings, please follow the unsubscribe link below.
